

The background of the entire image is a white canvas covered in various paint splatters and brush strokes in red, green, blue, and purple. A large, bold, red brush-stroke font reads 'STOP IN STROKE'. Below it, the words 'CREATIVE PAINT SESSIONS' are written in a smaller, bold, green sans-serif font. On the left side, there is a dark red rectangular box containing the text 'CORPORATE EVENTS' in white, and '2024' in a smaller grey font below it. The overall aesthetic is artistic and creative.

WHAT DO WE DO?

Sip N Stroke is a sip and paint event with a twist...

Ignite your creativity and join us as we host a unique painting session with music, drinks and a plethora of entertainment along the way. We aim to guide you through a fun, lively and interactive affair, easing group dynamics and providing memorable experience for everyone.

Our events typically involve a group painting session where attendees are given a theme to follow and have the next few hours to put paintbrush to canvas and reveal their own interpretation of the theme. Have your own theme in mind? No problem! We're all about giving you the creative freedom to express yourself and absolutely no painting experience is necessary. Our experienced team will be always on hand to support you should you need any help.

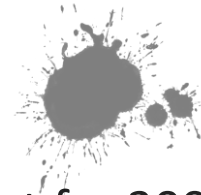

With our dynamic host and in-house DJ pulling out all the stops to keep everyone engaged boosting morale and handing out prizes along the way - we can guarantee the cheer will go beyond the four corners of your canvas.

Here's to raising your paintbrushes (and glasses) to a good time!
